

15.19 Miscellaneous. By entering into this Agreement RGTC does not concede that this is, and is not estopped from asserting that it is not, an interconnection agreement under 47 USC 251(c), nor does RGTC waive, or is estopped from asserting, any rural exemption that it may have under 47 USC 251 (f). This Agreement is for the exchange of traffic, not interconnection of RGTC and CHARTER as competing service providers. CHARTER shall obtain certification in accordance with Wis. Stat. 196.50(1)(b) 2 prior to providing Exchange Services within the authorized territory of RGTC. By entering into the Agreement, RGTC does not consent to such certification, and reserves the right to object to such certification.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed by their duly authorized representatives.
